DETAILED ACTION

This Office Action is Responsive to communication filed on 09/02/2008.

Response to Amendment

Per this reply, Claims 8-11, 45 and 83 remain pending in the present application, and claims 1, 3, 4, 6, 7, 12-30, 43, 44, 46-72, 77-82 and 84-105 are hereby canceled without prejudice. Claims 2, 5, 31-42 and 73-76 were previously canceled. Claim 8 is hereby amended to include the limitations of now canceled claims 1 and 6. Claims 8-11, 45 and 83 represent an "E-MAIL MESSAGING SYSTEM AND METHOD FOR ENHANCED RICH MEDIA DELIVERY".

Claim Rejections - 35 USC § 112

1. The following is a quotation of the first paragraph of 35 U.S.C. 112:

The specification shall contain a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same and shall set forth the best mode contemplated by the inventor of carrying out his invention.

2. **Claim 8 is rejected** under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim contains subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventors, at the time the application was filed, had possession of the claimed invention.

Claim 8 contains the language : " (ii) *altering the e-mail message including separating and modifying the header section in a predetermined way by inactivating*

said information regarding the originating user and intended recipient contained in the header section, and adding an alternate header section containing active information regarding an alternate sender and an alternate message recipient." Which is not described or mentioned anywhere in the specification.

Claims 9-11 depend on claim 8 and are rejected for the same reasons as the rejection of claim 8.

Correction is needed. Applicants are required review the entire application for similar errors and correct the same.

Allowed claims

3. Claims 45, and 83 are allowed.
